

AMSE Presentation

Aviation Accidents and Incidents in Germany and the US

Datasources

- **Mobilithek: What interesting datasets do we have?**
 - Aviation
 - Incidents and accidents in Germany
- **Matching datasource for the US:**
 - NTSB
 - Mdb

Questions

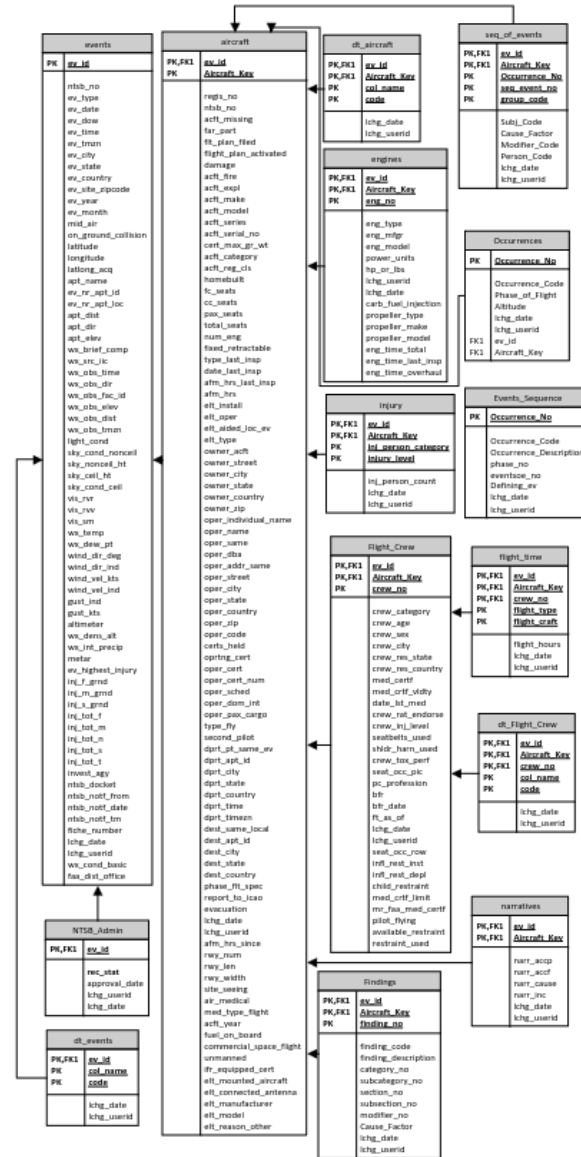

- How are aviation incidents and accidents distributed?
- How serious are they?
- How does this change over time?

Datasource: Mobilithek

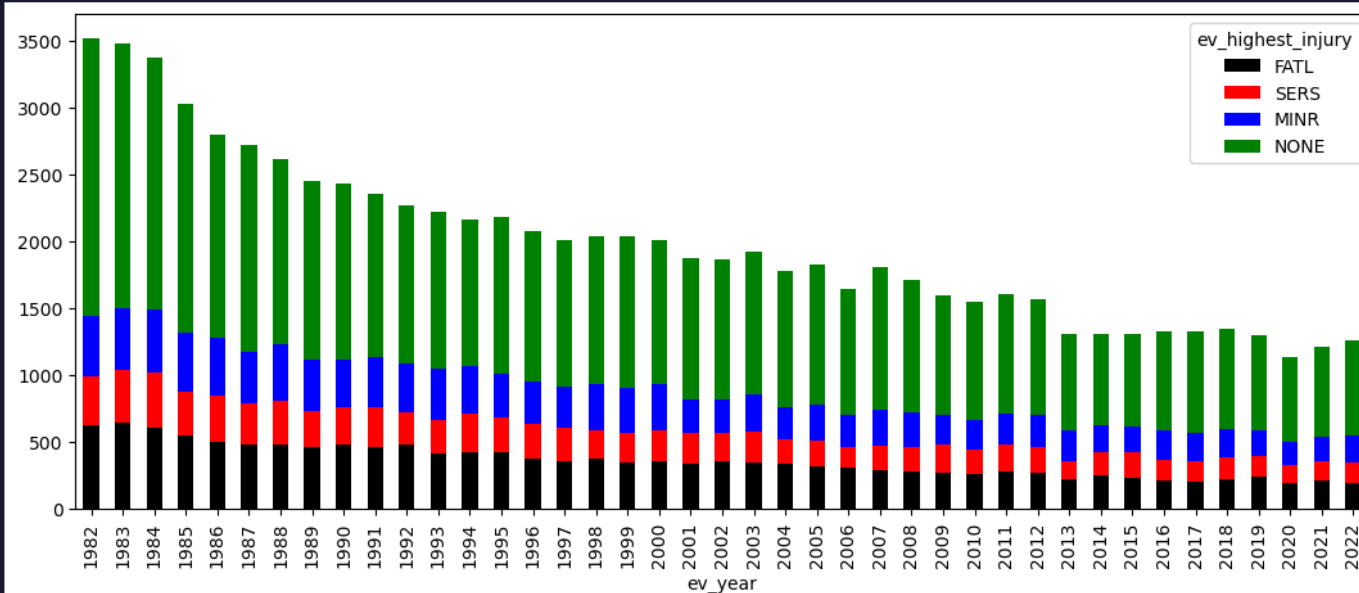

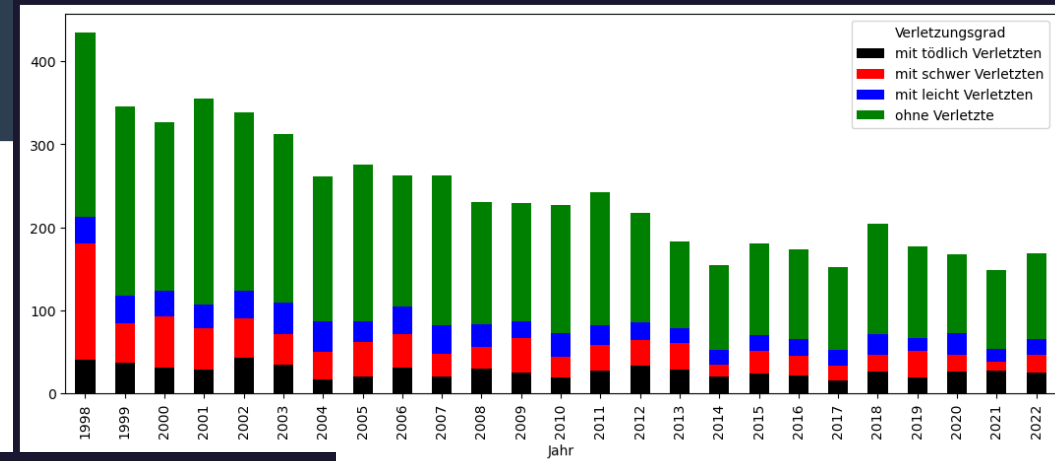

- By Bundesamt für Flugunfalluntersuchung
 - .CSV
 - From 1998 to 2022
 - Basic event data
 - But location as name only

Datasource: NTSB

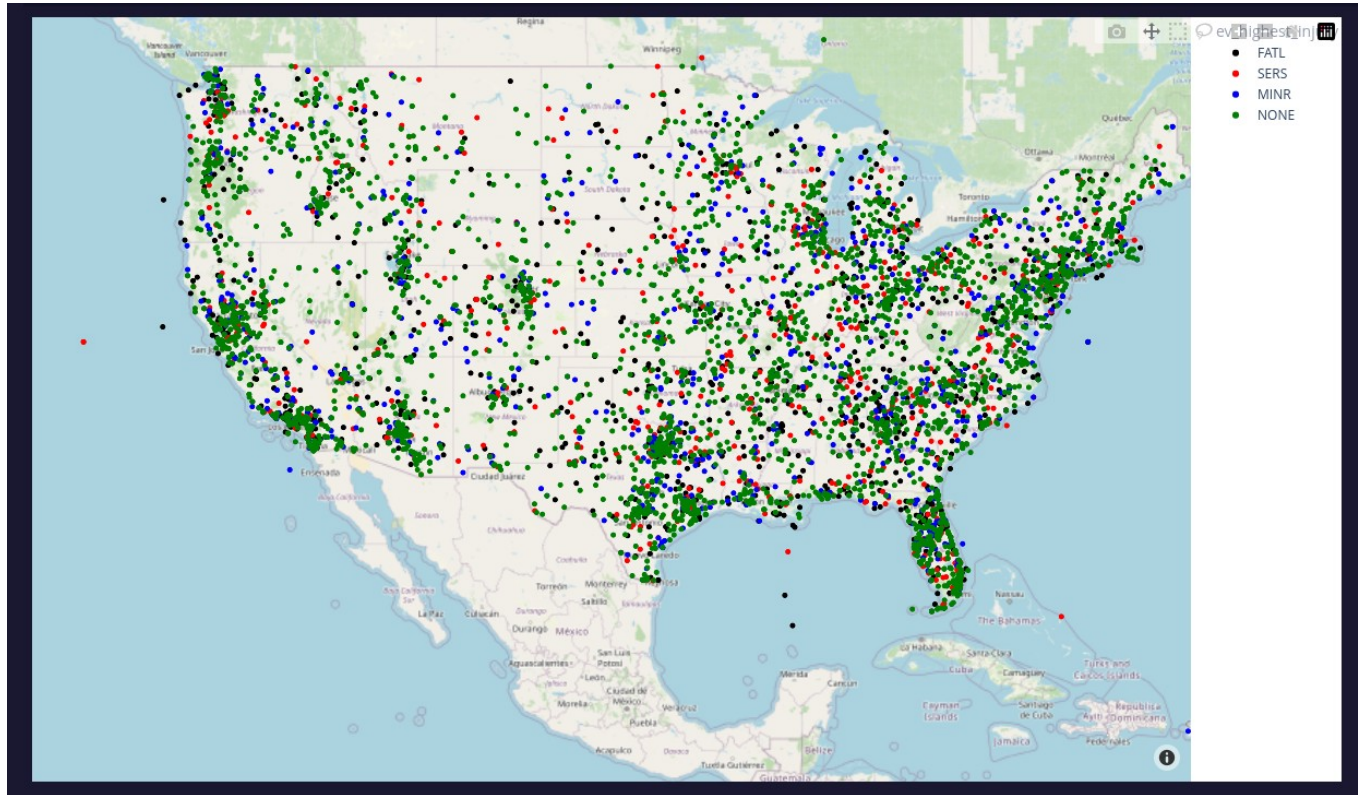

- .mdb
- From 1982 to 2023
- Huge amounts of data
- Some inconsistencies
